DOLE ISSUES GUIDELINES IN K-12 ADJUSTMENT MEASURES PROGRAM

The Department of Labor and Employment (DOLE) issued Department Order No. 152-16 the “*Guidelines in the Implementation of K to 12 DOLE Adjustment Measures Program*” last March 10, 2016. The goal of the Guidelines is to make growth inclusive through employment facilitation and human resource development and for the protection of workers through provision of welfare services.

The K to 12 DOLE AMP is part of the government’s Inter-Agency Mitigation Measures for affected Higher Education Institution (HEI) personnel during the transition period of the implementation of the K to 12 Program. It serves as a safety-net linked to active labor market programs and provides unemployment-related benefit schemes to displaced HEI personnel who will not qualify or avail of the Department of Education and Commission on Higher Education mitigation measures. The support in the transition to self or full-time consists of financial support, employment facilitation and training and livelihood.

The following HEI personnel are excluded from the financial support but may avail of the employment facilitation, training and livelihood services: (a) government employees whose part-time teaching load/s is only affected; (2) permanent public HEI personnel whose part-time teaching load/s only is affected; and (c) substitute teachers/professors with a maximum tenure of three (3) months.

For the financial support, the amount shall be based on the prevailing meridian salary of HEI personnel per nature of appointment per region, or his or her previous monthly salary, whichever is lower. The duration shall be for three months for non-permanent and six months for permanent HEI personnel. In case the displaced HEI personnel is non-permanent and has

no other sources of income, which resulted to a total loss of income, he or she will be entitled to six months of financial support.

Employment facilitation services provide tools and venues for reemployment of displaced HEI personnel which include profiling, matching and job referrals. Training provides skills upgrading programs through TESDA while livelihood assistance provides entrepreneurship training and livelihood opportunities under the DOLE Kabuhayan Program.
