DOH ISSUES REVISED RULES ON GENERIC LABELING OF DRUG PRODUCTS FOR HUMAN USE

The Department of Health issued Administrative Order No. 2016-0008 last March 21, 2016 entitled “Revised Rules and Regulations Governing the Generic Labeling Requirement of Drug Products for Human Use”.

The AO seeks to rationalize the existing rules and regulations on generic labeling requirements of drug products consistent with the harmonized requirements of the ASEAN Member States thus providing an updated and comprehensive guideline.

The AO applies to all manufacturers and distributors of drug products for human use, including herbal and traditionally-used herbal products.

Among other things, the AO provides that all information required to appear on the label shall be written in English and/or Filipino and should be readable with normal vision without straining.

LTO ENACTS RULES FOR REGISTRATION/RECORDING OF VINTAGE MOTOR VEHICLES

The Land Transportation Office (LTO) issued Administrative Order No. RPC-2016-033 last March 01, 2016 or the “Registration and/or Recording of Vintage Motor Vehicles (VMV)”.

The rule defines a vintage motor vehicle (VMV) as those manufactured at least 40 years prior to the current year or with year model earlier than 1975, not a reproduction, and which has been maintained in or restored to a condition in conformity with the manufacture specifications and appearance.

The AO, however, excludes public utility vehicles, cargo trucks, service vehicles (hotel limousines, tourist vehicles, car rentals, ambulance, funeral hearse), government vehicles and diplomatic/OEV.

The VMV for registration can be used on the roads only during Saturdays, Sundays and holidays. While VMV for recording shall be allowed to operate to and from events such as participation in vintage car club activities, exhibits, tours, parades and similar events provided that such operation is with a valid permit issued by the LTO.
