Qatar Bank Launches Card for Domestic Workers

The Qatar International Islamic Bank (QIIB) has launched a card that specifically caters to domestic workers. The QIIB has designated a card for domestic workers whose salaries are lower than QR 5,000. With the said card, the employers can directly transfer the salaries of the domestic workers directly and in real-time via the bank's digital platforms (e.g. mobile banking applications or internet banking).

The domestic workers will be able to use the card in all Automated Teller Machines (ATMs) and points of sale (POS) across Qatar for payment of utility bills, online purchases and transfer of money to their home country. The issuance of bank card allows a secure and certified record of transactions that would track the monthly salary payments for domestic workers in support to the Qatar Law on Domestic Workers.

For the guidance and information of all concerned.
