DEVELOPMENT**

WHEREAS, Item (B), Section 14 of Republic Act No. 7796 mandates that TESDA shall develop and establish a national system, of skills standardization, testing and certification and conduct research and development on various occupational areas in order to recommend policies, rules and regulations for effective and efficient skills standardization, testing and certification system in the country;

WHEREAS, TESDA shall focus its efforts and resources on priority qualifications/skills identified by partner-industry bodies and associations on the basis of the following:

1. Priority needs of the industry-sector;
2. Nationwide application in terms of public interest/welfare;
3. Employment generation and investment opportunities; and
4. The criteria for skills standardization and certification, to wit:
 - Requiring relatively long period of education or training;
 - Performance of the competency affecting and endangering people's lives and limbs; and
 - Competency involving the handling of complex equipment, tools and supplies.

WHEREAS, in addition to the abovementioned criteria, support for the development of skills/qualifications shall also be prioritized based on existing laws of the sector/industry governing the promotion on the competitiveness and promoting Filipino workers and the development thrusts of the government, among others;

WHEREAS, the COVID-19 pandemic has brought challenges that require public health interventions of the whole of government including the identification, assessing, and managing people who have been exposed to the disease;

WHEREAS, Contact Training is one of the essential public health tools in controlling the COVID-19 pandemic. It is defined as the identification, listing, and follow-up of persons who may have come into close contact with a confirmed COVID-19 case;

WHEREAS, the Inter-Agency Task Force (IATF) for the Management of Emerging Diseases and the Department of Health prioritizes and advocates the need
