WHEREAS, under Sec. 5.1(n) of the SRC, the Commission shall exercise such other powers as may be provided by law as well as those which may be implied from, or which are necessary or incidental to the carrying out of, the express powers granted the Commission to achieve the objectives and purposes of these laws;

Whereas, Section 13 of Republic Act No. 11232, otherwise known as the Revised Corporation Code of the Philippines ("RCC"), provides that the articles of incorporation and applications for amendments thereto may be filed with the Commission in the form of an electronic document, in accordance with the Commission's rules and regulations on electronic filing;

Whereas, Section 179(p) of the RCC provides that the Commission shall develop and implement an electronic filing and monitoring system. purporting to give rise to such legal effect, or that it is merely incorporated by reference in that electronic data message.

Whereas, Section 7 of ERA provides that electronic documents shall have the legal effect, validity or enforceability as any other document or legal writing.

NOW THEREFORE, in order to facilitate and expedite the transmission and receipt of official communications as well as enhance the integrity thereof, the Commission hereby promulgates the following requirements and guidelines for the creation and/or designation of an official e-mail account and cellphone number for transactions with the Commission:

SECTION 1. *Official E-Mail Address and Cellphone Number; Persons Required.* - Every corporation, association, partnership, and person under the jurisdiction and supervision of the Commission shall submit a valid official electronic mail ("e-mail") address and a valid official cellular phone number within sixty (60) days from the effectivity of these rules. For future applications and those applications which are still pending primary registration with the Company Registration and Monitoring Department (CRMD), such information should be either indicated during the filling up of the registration forms or submitted within thirty (30) days from the issuance of the certificate of registration, license or authority.

SEC. 2. *Alternate E-mail Address and Cellphone Number.* - In addition to the valid official e-mail address and official cellular phone number, every corporation, association, partnership, and person under the jurisdiction and supervision of the Commission shall also submit a valid alternate e-mail address and valid alternate cellular phone number.

The official e-mail address of a corporation, association, partnership, or individual may be the official or alternate e-mail address of another corporation, association, partnership or individual; Provided, that the official e-mail address of a corporation, association, partnership or individual must be distinct from the alternate e-mail address of the same corporation, association, partnership, or individual.

SEC. 7. *Inclusion in GIS or NUF.* - Beginning February 23, 2021 onwards, the e-mail addresses and cellular phone numbers shall be included in the General Information Sheet (GIS) or Notification Update Form (NUF) regularly filed with the Commission. If a corporation fails to include the e-mail addresses and cellular phone numbers in the GIS or NUF regularly filed with the Commission, such GIS or NUF shall be considered incomplete.

(Modified 1st page of GIS for Stock, Non-Stock and Foreign Corporations are attached hereto as Annexes "A" to "C" and "C-1".)

SEC. 8. *Purpose of E-mail Addresses.* - Both the official and alternate e-mail addresses shall be where transactions, applications, letters, requests, papers and pleadings under the jurisdiction of, or for consideration by, the Commission may be processed, submitted and/or filed online. The Commission may likewise send notices, letter-replies, orders, decisions and/or other documents through said e-mail addresses, and the corporations, associations, partnerships and individuals are deemed to have received those notices, letter-replies, orders, decisions and/or other documents on the date so sent by the

SEC. 10. *Purpose of Cellphone Numbers.* -The provision for designating an official cellphone number to be provided by all entities registered with the SEC is an additional security measure to ensure that the person accessing the e-mails sent by the Commission is the authorized person of the corporation or partnership to receive and retrieve the same. For every transmittal, Multi-Factor Authentication (MFA) utilizing mechanisms such as One-Time Personal Identification Number (OTP) scheme or Two-Step Verification by a Software-Based Authenticator will be performed by SEC to said cell phone number which the authorized person will have to input before the e-mail message can be retrieved.

SEC. 11. *No Internet Access.* - If a corporation, association, partnership, or person is unable to create an e-mail account due to the fact that the area where the principal office address is located has no internet access, only the official and alternate cellular phone numbers shall be required to be submitted to the Commission; Provided, that such person, the corporate secretary, the managing partner, the person charged with the administration and management of the corporation sole, or the authorized representative shall execute and file a Certification that the corporation, partnership, association, or person is unable to create an e-mail account due to the fact that the area where the principal office address is located has no internet access; Provided, further, that, within thirty (30) days from the time the area where the principal office is located gains access to the internet, the corporation, partnership, association, or person shall submit to the Commission the official e-mail address and alternate e-mail address.

SEC. 12. *Change of E-mail Address or Cellphone Number.* - Should a corporation, partnership, association, or person decide to replace the official e-mail address, alternate e-mail address, official cellular phone number, and/or alternate cellular phone number, a Notice to Change E-mail Address and/or Cellular Phone Number shall be filed with the Commission, within five (5) days from the date the corporation, partnership, association, or person decided to change the e-mail address and/or cellular phone number. The Notice shall also be accompanied by an Authorization or Certification of Authorization, as described in Paragraph No. 9 of these rules, allowing the Commission to send notices, letter-replies, orders, decisions, and/or other documents through the new e-mail address and/or cellular phone number, for the purpose of complying with the notice requirement of administrative due process.

A sample Notice to Change E-mail Address and/or Cellular Phone Number is attached hereto as Annex "G".

SEC. 13. *Double-Filing.* - In case of double filing of e-mail addresses and cellular phone numbers, the Commission may summon the parties involved to determine the cause for the double filing, and to determine whether an intra-corporate dispute exists. If the Commission finds that an intra-corporate dispute exists and there is double filing, the Submissions of E-mail Addresses and Cellular Phone Numbers, and/or the Notices to Change E-mail Address and/or Cellular Phone Number, as well as the General Information Sheets, shall be marked "DISPUTED". The said Submissions, Notices and/or General Information Sheets may be unmarked by an order from the appropriate Court.
