Joint Memorandum Circular 2021-0001
Series of _____

TO : ALL PROVINCIAL GOVERNORS AND VICE GOVERNORS; CITY AND MUNICIPAL MAYORS AND VICE MAYORS; MEMBERS OF THE SANGGUNIANG PANLALAWIGAN/ PANLUNGSOD/ BAYAN; PROVINCIAL, CITY AND MUNICIPAL HEALTH OFFICERS; MEMBERS OF LOCAL HEALTH BOARDS; LOCAL BUDGET OFFICERS, TREASURERS AND ACCOUNTANTS; DBM, DOF, DOH, DILG, PHILHEALTH, THEIR RESPECTIVE REGIONAL/ FIELD OFFICES AND ATTACHED AGENCIES; AND ALL OTHERS CONCERNED

SUBJECT : GUIDELINES ON THE ALLOCATION, UTILIZATION, AND MONITORING OF, AND ACCOUNTABILITY FOR, THE SPECIAL HEALTH FUND

I. BACKGROUND

Section 41.d of Republic Act (RA) No. 11223, otherwise known as the Universal Health Care (UHC) Act, specifies that Local Government Units (LGUs) that commit to the integration of local health systems into Province-Wide/ City-Wide Health Systems (P/CWHS) shall exhibit managerial integration in the first three (3) years from the enactment of RA 11223, and financial integration within the next three (3) years thereafter.

Section 20 of the same Act provides that all health resources intended for health services to finance population-based and individual-based health services, health system operating costs, capital investments, and remuneration of additional health workers and incentives for all health workers shall be pooled to the Special Health Fund (SHF). In addition, Section 21 stipulates that all income derived from PhilHealth payments shall accrue to the SHF to be allocated by the LGUs exclusively for the improvement of the LGU health system.

The creation of the SHF seeks to: 1) ensure a more strategic and efficient pooling and management of health resources to reduce fragmentation in health financing, promote integration of local health systems, and improve equity in access to health services; 2) provide appropriate incentives and financing mechanisms to achieve and sustain managerial, technical and financial integration; and 3) ensure transparency and proper accountability on the use of health resources.

II. OBJECTIVE

This Joint Memorandum Circular (JMC) shall provide the guidelines to ensure the strategic allocation, efficient utilization and monitoring, and clear accountability on the use of the SHF.

III. DEFINITION OF TERMS

- A. Annual Operational Plan (AOP) – refers to the yearly translation of the Local Investment Plan for Health, which details the programs, plans and activities (PPAs) and systems interventions that are to be implemented in P/CWHS in a particular year.
- B. City-Wide Health System (CWHS) – refers to the Highly Urbanized City (HUC)- and Independent Component City (ICC)-wide health system. - F. Independent Component City (ICC) – refers to component city whose charter prohibit its voters from voting for provincial elective officials. It shall be independent of the province.
- G. Individual-based health services - refer to services which can be accessed within a health facility or remotely that can be definitively traced back to one recipient, have limited effect at the population level, and do not alter the underlying cause of illness such as ambulatory and inpatient care, medicines, laboratory tests and procedures, among others.
- H. International Health Partner (IHP) – refers to multilateral and bilateral international organizations, international development banks, international NGOs, global health initiatives and international philanthropic organizations, with a formal agreement with the Philippine government, supporting and contributing to the implementation of health programs, projects and activities in achieving the health sector goals and priorities.
- I. Local Economic Enterprise (LEE) – refers to ventures wholly or partially owned by LGUs that generate revenue/ income through the sale of services and goods to meet a perceived constituency demand.
- J. Local Health Board (LHB) – refers to the board created in every province, city and municipality pursuant to Section 102 of RA No. 7160 or the LGC of 1991. In addition, the

UHC Act provided for the additional functions of the Local Health Boards in Provinces, Highly Urbanized Cities and Independent Component Cities.

- K. Local Health System (LHS) – refers to all health offices, facilities and services, human resources, and other operations relating to health under the management of the LGUs to promote, restore or maintain health.
- L. Local Investment Plan for Health (LIPH) – refers to a medium-term public investment plan for health that specifies the strategic direction of the concerned LGU for the next three years in terms of improving health service delivery, strengthening the health systems operations and addressing social determinants of health, and specifies actions and commitments of different local stakeholders.
- M. Population-based health services – refer to services intended to be received by population or identified groups of people of which outcomes contribute to the general public health, safety and protection, and/or rendered in response to a public health emergency or disaster or any circumstance of equal magnitude that has affected or can potentially affect a population. These refer to interventions such as health promotion, disease surveillance, and vector control.
- N. Prospective Payment – refers to the allocation of resources to a health care provider to deliver the covered package of health care goods, services and interventions to the covered population in which rates are set in advance and/ or providers are paid before services are delivered.
- O. Province-Wide Health System (PWHS) – composed of municipal and component city health systems. This includes the Provincial, Component City and Municipal Health Offices, facilities and services, human resources, and other operations relating to health under the administrative and technical supervision of the Provincial Health Board (PHB).
- P. Public Health Emergency – refers to an occurrence or imminent threat of an illness or health condition as described in RA No. 11332 or the Mandatory Reporting of Notifiable Diseases and Health Events of Public Health Concern Act.
- Q. Special Fund – refers to funds maintained in every provincial, city or municipal treasury pursuant to Section 309 of RA No. 7160 or LGC of 1991 which shall be deemed automatically appropriated for purposes indicated therefore.
- R. Special Health Fund (SHF) – refers to a pool of financial resources at the P/CWHS intended to finance population-based and individual-based health services, health system operating costs, capital investments, and remuneration of additional health workers and incentives for all health workers.

IV. SCOPE AND COVERAGE

These guidelines shall apply to the following: 1) all Provinces, HUCs, ICCs, CCs and Municipalities participating in the P/CWHS; 2) agencies of the government such as DBM, DOF, DOH, DILG, and PhilHealth that shall be involved in the funding, administration, implementation and/ or monitoring of the SHF; and 3) Civil Society Organizations (CSOs), International Health Partners (IHPs) and all others willing to support the P/CWHS.

V. FUND CLASSIFICATION

The SHF shall be treated as a separate type of Special Funds and is deemed automatically appropriated for health expenditures.

VI. MANAGEMENT OF THE SHF

A. Managing Entity

1. The PHB and CHB shall assume full responsibility in the management of the SHF, subject to existing pertinent budgeting, accounting and auditing rules and regulations. They shall ensure that the SHF is optimally utilized to help achieve the desirable health outcomes of the population within their respective territorial jurisdiction.

2. A Management Support Unit (MSU) shall be created under the direct supervision of the concerned health board to serve as its administrative secretariat and to assist in its operations. The functions of the MSU, which shall be performed in close coordination with the Provincial/City Budget Officer, Treasurer, Accountant and Health Officer, shall include, but not limited to, provision of administrative and technical support, coordination with the necessary P/CWHS stakeholders and provision of assistance in the management of the SHF. Its fund management support function shall include, among others:
 - a. Ensuring the timely submission of required information to PhilHealth for the assessment and review of performance of the P/CWHS as bases for release of future tranches and renewal of contract;
 - b. Preparation of the health board resolution on SHF budget;
 - c. Ensuring that budgetary documents are approved and signed by the Provincial/ HUC/ ICC Budget Officer, Treasurer and/ or Accountant;
 - d. Preparation, submission and reporting of financial status and physical accomplishments; and
 - e. Coordination with concerned component LGU Budget Officer, Treasurer, Accountant and/ or Health Officer for the purpose of planning, budgeting, utilization and liquidation.

To ensure proper accountability, the Board shall either designate or appoint existing plantilla personnel from the Provincial/ City Government as part of the MSU. At the minimum, the MSU shall be composed of the following personnel to assist the Board in the management of the SHF:

- a. Accountant (*Accountant II – SG 16*)
 - b. Administrative Officer (*Administrative Officer II – SG 11*); and
 - c. Liaison Officer (*Administrative Assistant III – SG 9*).
-
3. For the efficient and effective management of the SHF, the members of the P/CHB and the MSU personnel concerned shall undergo regular public financial management- and/or procurement-related trainings that shall be provided by DOF, DBM, PhilHealth, DOH, Commission on Audit (COA), Government Procurement Policy Board (GPPB) and other appropriate government agencies. The members of the P/CHB and the MSU personnel concerned shall be guided by the planning, budgeting and liquidation processes being followed by agencies/ organizations contributing funds to the SHF, as well as existing policies that have implications on the management of the SHF.

The P/CHB may also invite a PhilHealth representative to act as a resource person to the Board.

B. Sources of Funds

1. The fund sources for the SHF shall be as follows, consistent with Section 20.1 of the IRR of RA No. 11223:

- a. Financial grants and subsidies from national government agencies, such as the DOH, as included in the General Appropriations Act (GAA) in accordance with Section 22 of the IRR of RA No. 11223;
 - b. Income from PhilHealth payments as provided under Section 21 of the IRR of RA No. 11223;
 - c. Donations and financial grants from CSOs, and official development assistance from IHPs; and
 - d. Other fund sources which may include, among others, provincial, city and municipal budget intended for health through a mechanisms of cooperative undertakings as provided under Section 33 of RA No. 7160.
2. Mechanisms to facilitate the flow of funds from each source to the SHF shall be as follows:
- a. Terms of Partnership (TOP) for financial grants and subsidies from the DOH;
 - b. Contractual agreements for income from PhilHealth payments, *provided that*, pertinent provisions of the contractual agreements are consistent and within the guidelines prescribed in this JMC;
 - c. Memorandum of Agreement for donations and financial grants from CSOs and IHPs, *provided that*, its stipulations are within the bounds specified in this JMC and other related guidelines; and
 - d. Memorandum of Agreement for funds from LGUs.

Funds transferred between or among national government agencies, CSOs and LGUs shall be liquidated and accounted for and properly taken up in the books of concerned agencies, subject to the provisions in the contract, if any, and existing pertinent government budgeting, accounting and auditing rules and regulations.

C. Allowable Expenses Chargeable Against the SHF

The SHF shall be used to augment LGU funds for health for the following expenditure items as determined and approved by the P/CHB, consistent with Section 20.2 of IRR of RA No. 11223:

- 1. Population-based health services, which include the following:
 - a. Environmental health services, including vector control, water quality and sanitation;
 - b. Health promotion programs or campaigns;
 - c. Epidemiology and disease surveillance;
 - d. Services related to disease elimination;
 - e. Services related to preparedness and response to public health emergencies or disasters; and
 - f. Other health services that will be classified by DOH as population-based health services in subsequent guidelines.
- 2. Individual-based health services, which include the following:
 - a. Ambulatory and inpatient care;
 - b. Medicines;
 - c. Laboratory tests and procedures; and
 - d. Other health services that will be classified by DOH and PhilHealth as individual-based health services in subsequent guidelines.
- 3. Health systems operating costs, which include the following:
 - a. Support to the management of the health system, including the operations of the P/CWHS, health board, and operations and hiring of personnel for the MSU;

- b. Gasoline for ambulances, patient transport vehicles, and vehicles used for delivery of health services and transportation of health commodities and diagnostic specimens;
 - c. Fees that form part of accreditation and licensing requirements;
 - d. Learning and development interventions or capacity building activities, including registration/ participation fees related to the efficient and effective delivery of health services and management of the health systems, as determined by the P/CHB; and
 - e. Conduct of trainings, seminars, conferences or conventions relevant to the management of health systems and delivery of health services.
4. Capital investments based on health facility development plan, which include the following:
- a. Health infrastructure, including facility improvements related to direct delivery of health services;
 - b. Health equipment and instruments;
 - c. Information technology and equipment for health facilities;
 - d. Ambulances and patient transport vehicles, subject to existing guidelines; and,
 - e. Mobile clinics and other ambulatory health services, subject to existing guidelines.
5. Remuneration of additional health workers until such time that the LGUs have implemented incremental creation of plantilla positions to hire the required number of health care workers based on the standards determined by the DOH, subject to Personnel Services (PS) limitation pursuant to Section 325 (a) of RA No. 7160. The salary schedule shall be based on prevailing Salary Standardization Laws and other relevant laws, rules and regulations governing salaries and benefits of public health workers. Corresponding salary shall not exceed the rates being implemented in the concerned LGU.
6. Incentives for all health workers, including Barangay Health Workers (BHWs) and Barangay Nutrition Scholars (BNS), within the territorial jurisdiction of the P/CHB. Allocation mechanism shall be decided upon by the Health Board.

A separate guideline shall be issued by DOH, DBM, DILG and other concerned agencies, in consultation with relevant councils, to determine the standard and competitive benefits and incentives for public health workers (PHWs) pursuant to RA 7305 (Magna Carta for PHWs), RA 7883 (BHW Benefits and Incentives Act), PD 1569 (Strengthening Barangay Nutrition Program), RA 11148 (Kalusugan at Nutrisyon ng Mag-Nanay Act) and other relevant laws.

D. Expenses Chargeable Against the LGU Mandatory Counterpart Funding

LGUs participating in the P/CWHS shall appropriate mandatory counterpart funding to finance health programs based on LIPH and its corresponding AOP. The following expenditure items, among others, shall be charged against the LGU mandatory counterpart funding not pooled to the SHF:

1. Mandatory expenses of the health facilities, offices and services under the supervision and control of the concerned LGU;
2. Remuneration of existing human resources for health personnel under civil service positions;
3. Physical office and administrative expenses of the concerned health board and its MSU; and
4. Land acquisition and development for the construction/ upgrading of health facilities and services.

E. Creation of the SHF

1. An SHF depository bank account shall be created in accordance with the existing DOF-Bureau of Local Government Finance Guidelines on Authorized Government Depository Banks and other relevant issuances.
2. A separate SHF book of accounts with complete financial reporting obligations shall be created and maintained at the Province, HUC and ICC levels. Subsidiary ledgers shall likewise be created for each identified fund source.
3. If funds will be transferred to the component LGUs from the SHF, these funds shall be transferred to the Trust Fund of component LGUs. A subsidiary ledger in the Trust Fund shall be created for this purpose.

VII. PLANNING AND BUDGETING FOR THE SHF

- A. The P/CHB, through the Provincial/ City Health Office, shall facilitate the formulation of the LIPH and AOP of the P/CWHS. These plans shall be aligned with the Local Development Plan, and Medium-Term and Annual Investment Programs of the concerned LGUs. The DOH shall provide the guidelines and procedures in the development of the LIPH and AOP, including forms and tools to be utilized.
- B. The P/CHB shall use the LIPH and AOP as bases for the contractual arrangement with DOH and PhilHealth. The LIPH, AOP and contracts shall then serve as the bases for the SHF budget preparation, Project Procurement and Management Plan (PPMP) and Annual Procurement Plan (APP) to support the requirements and/ or cost estimates of the different expenditure items, as embodied in the proposed budget.
- C. The SHF Budget shall be presented by PPAs and by allotment class using SHF Budget Preparation Form No. 1 (*Annex A*).

The allocation of the SHF shall be decided upon by the P/CHB, in consultation with component LGUs and based on their respective investment plan for health. The P/CHB may transfer either an agreed amount or percentage to the component LGUs/ Local Economic Enterprise (LEE) or through a mechanism based on performance of the component LGUs/ LEE. The setting-up and operation of LEE shall be in accordance with existing DBM guidelines.

The amount that will be retained at the province level shall be used for operating expenses and equity considerations, as decided upon by the PHB. At the minimum, the number of Geographically Isolated and Disadvantaged Areas (GIDAs), number of Indigenous Cultural Communities (ICCs)/ Indigenous Peoples (IPs), and health status of component LGUs, prioritizing national health indicators in the national plans, shall serve as bases for additional financial support to component LGUs.

- D. A P/CHB Resolution approving the budget for priority health programs, projects and activities within the P/CWHS shall be formulated using the SHF Budget Authorization Form No. 1 (*Annex B*).
- E. The P/CHB Resolution on the SHF budget, as well as the LIPH, AOP and annual budgetary proposals, shall be deliberated, endorsed and/or approved by the chairperson, the vice-chairperson and a majority of the members of the P/CHB.
- F. Timelines for the SHF planning and budgeting shall be in accordance with LGU planning and budgeting guidelines issued by DBM and other concerned national government agencies.
