POEA ADVISORY 36
Series of 2021

Since December 2019, POEA started endorsing qualified sending organizations for the Japan Technical Intern Training Program (TITP) and Specified Skilled Worker (SSW).

Please be reminded that in order to be included as sending organization, all licensed recruitment agencies are advised to submit their application at the Employment Regulation Branch (ERB). The deadline for submission shall be on or before the second week of the month for each quarter.

The validity of the certification shall be valid for the duration of the signed Memorandum of Cooperation between the government of Japan and the Philippines. POEA shall institute appropriate administrative proceedings and or criminal action against the licensed recruitment agencies found to be violating the TITP and SSW guidelines and POEA 2016 Revised Rules and Regulations. Violators will be automatically removed from the list of approved sending organizations.

For your information and guidance.
