RE : ACCESSIBILITY OF E-REGISTRATION HELPDESK SYSTEM

It has been observed that requests for editing/correction/amendment of worker's personal details in the eRegistration has continued to mount during weekends and holidays even if employees and staff are off-work during these times. In order to regulate the huge number of flowing requests for such editing/correction/amendment of worker's personal details as well as retrieval of their account in the e-system and to further promote fair and balanced assistance to requesting parties, the POEA eRegistration Helpdesk System shall only be accesible during workdays and the regular working hours, effective **16 April 2021**.

All conditions stated in the previosuly issued POEA Advisory No. 03, series of 2021 shall still remain effective and in force.
